Man Of 1000 Mysteries

Hindu Rope Trick? For more than 400 years, strange tales have been told of the mysterious occurrences from India in which a Hindu Mystic takes a long rope, coils it, and sets it on the ground. He ties a knot in one end of the rope. Slowly and mysteriously, the knotted end begins to ascend upward, until it is perhaps 50 feet in the air; the lower end still touching the ground. Then a small boy climbs the rope to the top and disappears. The rope falls limply to the ground. What is the strange secret of this and other mysteries of the Orient? How is it possible for one solid object to pass through another solid object? What is the secret of levitation? Of hypnotism and mind-reading? Many of these secrets have been carefully guarded for hundreds of years. All these and many more are mysteries at which Merlin is a past-master. Curtain time for Merlin, The Man of 1000 Mysteries, is 8:00 p.m. at the High School Auditorium on Oct. 2, 1967.

New Chamber Officers and Directors Named

Chamber Dinner This Thursday

The Grayling Regional Chamber of Commerce held its Annual Meeting September 15 in the City Council Chamber of the Grayling City Building. The election of officers, voting on the revised By-Laws, and the appointment of committee chairmen filled the evening's agenda. Named President for the 1967-68 year was Gerald Burns, comptroller of Bear Archery Company. The First Vice President was Donald Welser of the Welser Motor Lodge; Second Vice President, Clyde Borchers of Cornell Real Estate and Insurance Company, and Secretary-Treasurer is John Latuszek of the Penguin Inn.

New members of the Board of Directors are Allen Barkley, the owner of "Lil Smokey" at Bear Mt.; Clyde Borchers, representative of Cornell Real Estate and Insurance Company; Kenneth Carlisle of Carlisle Canoes; Charles Fick, distributor of Standard Oil Products; Harold Macklin, owner of the AuSable Motel; and Mahlon Riker of Riker Wholesale Distributors.

Hold overs of the board from the 1966-67 year are Ray Elsey of Grayling Pharmacy; William Kraus, Vice President of the Grayling State Bank; Major Edmund Rutkowski, Camp Commander at Camp Grayling; and Mrs. Walter Truettner. Appointed to head the standing committees were Membership Committee, Mahlon Riker; Finance Committee, John Latuszek; Tourism and Resort Promotion, Clyde Borchers; Community Betterment, Sal Truettner; and Business Development Committee, Don Welser.

The revised By-Laws, designed to strengthen the Chamber Program were passed by a unanimous vote. The Annual Chamber Dinner, co-chaired by Mrs. James Forbes and Mrs. Walter Truettner, is being held Thursday evening, September 21, at 7:30 p.m. at the Chief Shoppenagons Motor Hotel. Tickets are on a reserved basis and are available from members and at the Chamber office. Fred A. Kaiser, Marketing Consultant for Michigan Consolidated Gas, will be the keynote speaker, and his address will be "The Human Side of Marketing."

City Police Department Issue 3 Summonses

The City Police Department reports giving a summons to Wayne Reeves, 32, of Grayling on September 12, for excessive speed; to George Charles Phillips, 25, of Roscommon, on September 15th for failure to stop within the assured clear distance ahead and causing an accident; and to Larry W. Bancroft, 19, of Grayling on September 16 for reckless driving. The three have appeared or will do so before Justice Olin Williamson.

EMTA Convention Wednesday, Oct. 18th

BAY CITY, Michigan — The East Michigan Tourist Association will hold its 57th Annual Convention, Wednesday, October 18, 1967, in Bay City.

More than 400 business members county supervisors and local officials are expected to attend the one-day meeting at the Wenonah Hotel. Key business items will be the 1968 tourist industry advertising preview and industry development involving conservation, education and legislation.

Fred B. Fletcher, of Bay City, Association president, will preside at the all-day session.

Receives More Com. College Certification

On September 14, 1967, Carl B.J. Minor, speech instructor in the Crawford-AuSable School system, was notified by Dr. C. O. Dyer, Chairman of the University of Michigan's School of Psychological Examiner Program, that he has been granted a Community College permanent Certificate with a major in Personnel and Guidance. The certificate entitles the holder to both teach and direct a personnel and guidance program in any of the community colleges in Michigan.

Earlier this summer, on August 18, Minor was notified by Lyle V. Voskuil, Membership Chairman, that his qualifications have been duly examined and that he has been accepted as a member of the Michigan Association of Educator-Psychologists. Membership in the MAEP requires permanent certification in the field of psychology. In 1956, upon the recommendation of the University of Michigan, the Michigan State Board of Education granted Minor a Community College Permanent Certificate, which permits him to teach psychology in any of the community colleges in Michigan.

How Chamber of Commerce Works

By Willard Bosserman, County Extension Natural Resource Agent

Since last week I have been in touch with some experts on Chamber of Commerce business. I would like to share with you some of the ideas I gleaned.

A Chamber of Commerce has basically two roles. They are promotion and secondary service. Particularly in Northern Michigan promotion and service are aimed at two audiences. The first is to promote business to year around residents. The second is promotion to attract out of county, out of town people to the area served by the Chamber of Commerce.

A major committee of any Chamber of Commerce is its advertising and promotion committee. This is the group that plans how the funds should best be spent to promote the community for the coming fiscal period. The membership on this committee should be people that have the best knowledge of all the promotion media available to the Chamber of Commerce. They should also have knowledge of all the various elements of the resort area and how promotion can be best utilized to tie them all in.

D. Hall Attends National Guard Conference

Chief Warrant Officer 2 DeWain A. Hall, 410 Maple Street, Grayling, will be among a Michigan delegation of 60 to attend the 89th General Conference of the National Guard Association of the United States, 18-21 September, 1967, in Washington, D.C.

The business sessions of the conference promise to be of high interest in light of the realignment of the National Guard and increased civil disturbance and riot control training.

Special occasions will begin Sunday, 17 September, with the Officers of the Association observing the 50th Anniversary of the Guard's mobilization for and entry into "the Great War". The officers will mark the occasion by laying a wreath at the Tomb of the Unknown Soldier in Arlington Cemetery.

On Tuesday evening, 19 September, delegates and others will have an opportunity to witness the colorful sundown pageant, "Prelude to Taps" staged by the Regular Army's 3rd Infantry "Palace Guard" of specially selected and honored soldiers in Colonial uniform.

First Lieutenant James B. DeVries will be honored at a luncheon on Wednesday, 20 September, for being selected to the National Guard All-American Team.

The 26-year-old Lieutenant, a Precision Photo Services Officer with the 127th Reconnaissance Technical Squadron, Battle Creek Air National Guard Base, was selected to the team on the basis of being qualified physically, qualified in his Military Occupation Specialty and a graduate of the United States Air Force Officer Training School.

For the States Dinner, Thursday evening, the Army's 5th and 6th Drums, in Revolutionary War-era gear, will post the National and Association Colors. Each State has been asked to have one of its own Guardsmen, preferably in a traditional uniform representative of his State, post the State flag.

All business sessions and the dinner will be held in the Sheraton-Park Hotel. Approximately 50 Michigan National Guardsmen will travel to the conference in a M-121 "Constellation" furnished by the Pennsylvania Air National Guard. They boarded the aircraft at Lansing's Capitol City Airport on Sunday, 17 September. The return flight is scheduled for Friday, 22 September.

CHAMBER ADDS 7 NEW MEMBERS

Gaylord Here Friday Night; Lose First Game 7-3

The Grayling Vikings lost a heartbreaker last Friday evening when the Harrison Hornets upset them 7 to 6.

Leading 6-0 with about two minutes to play, Paul King intercepted a Hornet pass in Grayling territory only to have it nullified by a controversial penalty called against Grayling.

Following the penalty Harrison went in and scored a touchdown and point after to win 7-6.

Grayling scored their TD in the second quarter on a pass from David Bailey to Larry Beery that covered 22 yards. The Vikings missed the extra point and led 6-0. The TD was set up by an interception by King.

It was a bad start all around for NMCC teams in their openers against non-conference foes, as Gaylord lost to Cheboygan 12-6; Inland Lakes routed Pellston 18-0; Petoskey over Boyne City 20-13; Elk Rapids 12, Manvelona 6 and Bay City St. Joseph winning over Charlevoix 20-7.

This Friday night the Vikings will take on the conference defending champion Gaylord Blue Devils on the Vikings gridiron starting at 8:00 p.m.

The game should prove quite a contest as both squads were edged out in their openers and both are looking forward to getting on the winning trail. The Vikings will be out to end Gaylord's string of 18 conference wins, which includes four ties in the past three years. The Blue Devils have been conference champs for the past three years.

In the Harrison game after Grayling held the lead at half-time, the Hornets controlled the football in the third quarter, the Vikings having the ball for only six plays. Penalty trouble plagued the Vikings when it seemed they were getting near pay dirt throughout the game. Following Harrison's TD the ball changed hands a couple of times, the game ending with a pass broken up in the end zone for the Vikings.

With two pass interceptions and stand-out defensive play, plus 84 yards rushing on 17 carries, Paul King was the outstanding player, according to Coach Wieland. He also stated that the team as a whole showed great effort plus team spirit.

In the game Grayling had 114 yards rushing, 57 yards passing, 70 yards on kick returns and 73 yards on pass interceptions.

An enthusiastic crowd of students, estimated at about two of the three bus loads that accompanied the team to Harrison were on hand at the school when the Viking gridirers returned. In fact they were so enthusiastic that the police were summoned by those in the neighborhood of the school, figuring it was a riot. With student body spirit like that, and the Vikings going all out, who knows, it may become a habit.

The Grayling JV's traveled to Gaylord Tuesday night of this week. They will entertain the Houghton Lake JV's on the local gridiron next Thursday night, Sept. 28th at 7:30. Coach Frank Smith has 48 out for this year's squad. Last year the little Vikings went undefeated.

Rounding out the rest of the conference schedule: East Jordan will be at Manvelona, Pellston entertains Harbor Springs and Boyne City will battle Charlevoix.

"CARNIVAL OF COLOR" PLANS ARE PROGRESSING

The Grayling Regional Chamber of Commerce has announced plans for the 2nd Annual Carnival of Color, October 6, 7, and 8.

This promotion is sponsored by the Chamber and coordinated efforts of the merchants, recreational activities owners, local organizations and points of interest owners who are combining their efforts in making this event better than last year.

The Carnival of Color committee is being chairmanned by Don Welser with sub-committees headed by Jack Alef, William Kraus, Mrs. Ray Elsey, Mrs. James Chew, Mrs. Bernard Fowler, Mrs. Libby Atkinson, Jim LaGrow, Clyde Borchers, Ken Carlisle, Gerald Burns, Whitey Madsen, and Phil Miller.

Plans for the event will encompass downtown merchants' promotions, pony rides, dunk tanks and trap and skeet shooting contests. To make the event a more fun-filled weekend, the merchants also plan for an "Old Fashioned Weekend" with costumes and window displays not only featuring fall and winter merchandise but also antiques and mementos of many years ago.

Special maps are being provided showing marked Crawford County Color Tour road. Color tours will also be promoted on pontoon boats at Lake Margrethe and color tours on the miles of canoeing trails in Crawford County.

AuSable Property Owners Assn. Offers Help to Expand River Patrol

The Board of Supervisors of Crawford County has received a letter from Harrison Goodhue, President of the AuSable Property Owners Association, indicating that the Association's board of directors had voted the sum of one thousand dollars to the county, providing it expands its river patrol program.

James Hadley, Administrator, Conservation Boat and Water Safety Section, indicated Friday that the State of Michigan would allow the county to expand its program to that extent. The law limits the expansion of a program from one year to the next.

With the contribution Crawford County would be going from \$2,500 to \$3,500, but due to the fact the county has so many miles of stream plus its lakes, Hadley felt the expansion would be approved. No official action has been taken by the Supervisors, but the board indicated the patrol would be expanded in accordance with the request of the Property owners Association.

Scouts' School Night Sept. 21

Boy Scouts and Scout leaders in the Paul Bunyan Council which includes Crawford County and six adjoining counties, will join with councils all across the nation on September 21 in a "School Night for Scouting" program.

On that night, a brief program is planned at nearly every elementary school affording boys an opportunity to sign up as Cub Scouts or Boy Scouts. Scouts will wear their uniforms that day and demonstrations of skills learned in Scouting are planned as part of the program. Local radio stations will also carry a brief message which will be aired at each of the schools.

Frank Carey, School Night chairman for Grayling is expecting approximately sixty new boys in the ages of 8-18. Scoutmaster Ken Carlisle and Cubmaster Earl Welley will be at the Grayling Elementary School from 7:00 to 8:30 to answer questions from parents.

"Golf of the Year"

Laura Olson

The Grayling Country Club Golf Auxiliary is proud this week to honor Laura Olson as "Our Golfer of the Year". We gladly boast that we probably have the proudest active golfer in the United States as a member of our Auxiliary. Laura will soon be 79 and still leads all of us a merry chase on that old golf course. She is very active in Auxiliary work and lends a mighty support to all our activities.

We are doubly proud because Peg Milnes, who can also take us back a few years, is too, an active member. We say "we are proud of you both," and "thank you for being a part of our Auxiliary."

FRIENDS NOT FOES

Major Ed Rutkowski of Camp Grayling issued an explanation concerning the airplane which was heard at night last week, causing several calls to the airport and some apprehension.

The Conduccion Corporation of Ann Arbor is doing some radar testing, and will be continuing about four times this month over the airport. Testing lasts from 1 to 1 1/2 hours, and will be at night, depending on the proper weather conditions.

Kiwanis Club Notes

By Leo Rochetto

The regular meeting of the Kiwanis Club was held at the Chief Shoppenagons Motor Hotel Monday evening.

Joseph Stripe presented this week's program. He presented his wife, who is on the board that picks the foreign exchange students and also Carla Jean Mosher who was this year's exchange student. Carla Jean gave a fine talk on her summer trip to Denmark.

Next week's meeting will be held at the Woman's Club and will be a ladies night. It will begin at 8:00.

Anarchy versus Responsibility

Much of the disorderly conduct and destruction of property that is carried on today in the name of freedom and independence of the individual is a insult to the high principles of human liberty. De Tocqueville observed in 1835, as he commented on the unique qualities of the American experiment: "The revolution of the United States was the result of a mature and reflecting preference for freedom, and not of a vague or ill-defined craving for independence. It contracted no alliance with the passions of anarchy; but its course was, on the contrary, by a love of order and law. It never assumed in the United States that the right of a free country has a right to do whatever it pleases. On the contrary, more social obligations were imposed upon him than anywhere else." De Tocqueville's words are peculiarly apt at the present time.

INTERESTING ITEMS OF NEWS GATHERED FROM THE
FILES OF THE AVALANCHE OF 23 YEAR AGO

September 21, 1944

Just who is this man who is to take over ownership of the Avalanche? That's a reasonable question, for naturally when someone is to take so prominent a part in our community affairs as to become editor of its newspaper, people want to know about him. On October 2nd, Mr. and Mrs. Robert Strong, will become the editors, publishers and owners of the Crawford Avalanche. We, who have held this responsible position for the past 33 years, will be entirely out. Strong, we understand, is disposing of his interest in the Greenville Daily News, and is giving up that position of managing editor. That had been his position for the past three years. For eight years he had been circulation manager of the Flint News-Advertiser, and for three years he was employed in the circulation department of the Flint Journal. He graduated from Flint Central High School in 1932. Mrs. Strong, former Eubel Carter Elston, graduated from Flint Central High School in 1933. They have two children, Sondra Eve, 8 years old, and Robert W. 2nd, five years old. Mr. and Mrs. Strong have made two inspection trips to Grayling recently — once about a month ago, and again some time later. Strong says, in a recent letter, that he is "much impressed with the City of Grayling, and hopes the Crawford Avalanche, under new ownership can still give the people of the area the same high quality service. We will attempt to go forward with the city and lend a helping hand to any community project that will benefit all the people." We are sure Strong will give us a much better community newspaper than we have been able to give. He is a young man with a vast experience in newspaper work. He has met most of

our business men and at once gained our high esteem. And that he and his family will become a definite asset to Grayling, we are fully certain, they will be most welcome.

Mrs. John Burke spent last week in Grayling with her daughter, Mrs. Ernie Larson.

Mr. and Mrs. Albert Kaiser and Virginia of Frederic are enjoying a visit with their son and brother, Pvt. Gene Kaiser, at San Diego, California.

Mr. and Mrs. Elmer Batterson of Jackson, former residents of Frederic, were callers at the home of Mrs. Nancy Batterson.

A shower at the home of Mrs. Mary Bindshat of Frederic for Mrs. Maurice Alma, last Friday, was a pleasant affair. She received some nice gifts. A dainty lunch was served.

Mrs. Roy Newberry is in Flint this week to attend the graduation of her daughter, Miss Betty Newberry, from the Hurley Hospital Nurses Training School this Friday night.

Miss Minnie Highlen and Mrs. Harry Horton left Monday for a visit of two weeks in Pontiac and Center Line.

Miss Catherine Peterson returned Tuesday night to Lansing to continue her studies at Michigan State College there.

Margaret Gularski has

returned to her home in Wildwood, Michigan, after spending four days visiting Miss Lois Berry.

Mr. and Mrs. Wilfred Laurent left Sunday for Detroit to visit the latter's brother, Curry Sheehy, and friends for a week. Wilfred is down there to see that exciting Tiger-Yanks series.

Maurice Gorman has purchased the former James Armstrong home on Maple Street from Mrs. Clarence Johnson.

John C. Crawford of Frederic, Michigan, studying in the Navy V-12 program at the University of Michigan, is playing the third trombone in the University of Michigan Marching Band.

1-c Merchant Marine Jack Hull arrived home from San Francisco Wednesday morning on a week's furlough. He is what the Merchant Marines term an "oil-eater", and likes his work very much.

Edmond A. Rutkowski is privileged to be stationed at San Antonio Aviation Cadet Center, Texas where the boys are studying a rigorous 10-week program of instructions covering physical academic and military training. They study maps and small arms and other subjects while being conditioned physically for the long training period ahead. Bombardiers, navigators and pilots receive the first five weeks of pre-flight instructions for a specialized training. We are proud to have one of our young men there.

Misses Bonnie Gierke and Yvonne Hall visited friends in Detroit last week.

Members of the Ration Board were guests of Ernest Borchers on a canoe trip down the AuSable River, Sunday.

Mrs. Axel Michelson and daughter Mrs. Andrew Wilson, and

little son Michael returned to her home in Detroit, Friday.

Mr. and Mrs. Thomas Willys of Alma arrived Tuesday at the home of Mr. and Mrs. Robert Hayes, where they are spending a few days.

Rev. and Mrs. Svend Holm spent the weekend in Manistiquette, attending the church convention held there. Mr. and Mrs. Peter Madsen and daughter Eva accompanied them.

Sheriff John Papendick, Judge Charles E. Moore and Conservation Officer Clarence Roberts spent Monday afternoon in Alpena attending a F.B.I. meeting.

Sgt. Richard Rasmussen, on a 2-day pass, went to London England with some of his buddies. They visited the Piccadilly circus, one of London's pleasure spots. Later he visited the Red Cross Center and there he bumped into S-Sgt. Ross Thompson.

Little George Short, son of Mr. and Mrs. Alva Short, of Beaver Creek, had his right arm broken Monday afternoon while playing at Grayling High School. He was taken at once to Mercy Hospital. He was one of 15 school children brought in to have dental work done there.

George B. Schley has returned to his home in Indianapolis, Ind., from his summer home at Lake Margrethe. His house guests, Mr. and Mrs. Chas. A. Trask, his partner's parents and sister, have also returned to their home in Indianapolis.

Cadillac presents elegance in action!

And the "inside story" for 1968 starts with the biggest, smoothest V-8 engine ever put into a production motor car.

Brilliant new styling • Dramatic new interiors • Totally new instrument panel • Concealed windshield wipers • Improved variable ratio power steering • New disc brakes available • Wide choice of eleven exciting new body styles.

Now, enter a new era of luxury car performance. Cadillac's new 472 V-8 has the greatest torque, or usable power, of any passenger car engine and the newest combination of engine components since Cadillac pioneered the V-8 fifty-three years

ago. You will notice a brilliant improvement in passing performance that in no way compromises the reserve of strength for Cadillac's usual power conveniences.

You will also be impressed with its amazing quiet — so remarkable that only its responsiveness reminds you that a great new engine lies under the hood.

Cadillac for 1968 provides, in addition, its well-proved triple braking system with finned drums to deliver smooth, straight stopping power. Front disc brakes are

available for those who prefer the further refinement of an advanced disc-and-drum combination, and this year they're standard on Eldorado. You may also choose a greatly improved air conditioning system that moves more air more quietly.

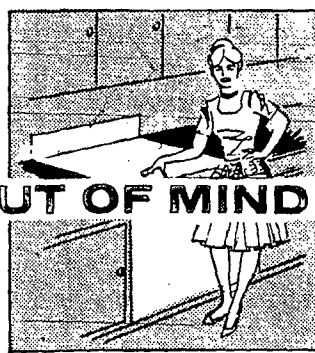

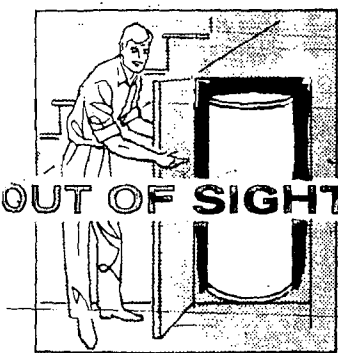

Whether your preference is for one of the more traditional models — or the classic beauty of the Eldorado — come in soon and discover new elegance and excitement in luxury motoring!

THE NEW 1968 CADILLACS ARE NOW ON DISPLAY AT YOUR AUTHORIZED CADILLAC DEALER'S.

5 Crawford County Avalanche Thursday, September 21 1967

Secretary of Agriculture, Orville Freeman, signs the Memorandum of Understanding with the Crawford-Roscommon Soil Conservation District as Donald A. Williams, Administrator of the Soil Conservation Service looks on.

"Outdoors With Gordie"

By Gordon Charles

Most of us, at one time or another, have tried to take the family clock apart to see if we could fix it.

Few of us, however, ever succeeded in getting the blamed thing back together again and in good working order. Usually we ended up with some extra wheels or screws and a time-piece that was useless. We had completely upset the balance of the instrument.

This same thing happens when man interferes with the clock-like precision that dictates the balance of nature. Too many times man has been quick to condemn and exterminate some of the so-called predator species without considering the full consequences.

Take the fox, for example. A farmer has a thriving orchard of young fruit trees. Into this pretty picture comes a fairly heavy mouse population which, in turn, attracts Br'er Fox.

Figuring that the fox is just a nuisance, the farmer takes steps to kill him off. With this natural enemy removed, the mice have a field day and soon heavy damage to fruit trees occurs. Under cover of snow, tree trunks are girdled or roots are damaged so badly the tree dies.

Had the farmer allowed the fox to remain, his mouse-damaged trees would have been harmed little or not at all. Orchardists are coming to learn this the hard way and many now welcome a few foxes on their lands as natural mouse traps.

Each animal plays an important part on the land and when one species is eliminated the balance is upset and the wheel of nature fails to turn properly.

In the past, man has attempted to repair the spoke in the wheel he destroyed by restocking his land with game and birds but this has not always been successful. If there is not enough cover and food for birds they will, in time, leave or die. If too many animals are in a given area, disease or some other means will remove the surplus down to carrying capacity of the land.

Most ground-nesting birds, including ruffed grouse and pheasants, have a horde of predators working against them. From the time eggs are laid to the time they hatch, skunks, crows, raccoons, foxes, turtles, hawks, ants, dogs and cats are all working against them. However, given adequate cover and food they survive and reproduce naturally.

With poor food and cover they can fall easy victim to predators as well as to adverse weather. Still, man too often decides that only one of the predatory

species is doing all the damage and tries to eradicate that species.

When you see a hawk or owl or fox, try to remember that he is there as part of nature's balance wheel. Man himself is a predator and often takes some of the surplus animals. But, in his ignorance of the ways of the wild he can kill off too many of the wrong ones.

Let's be sure that we aren't the ones to lose that little thing, amajig that makes the great wheel of nature turn.

Tom Hatfield drove north to Houghton Friday to begin the school year at Michigan Tech.

Leo Lovely To Attend Republican Conference

Leo Lovely, Chairman of the Crawford County Republican Committee will join more than 700 leaders of the Republican Party of Michigan at their biennial leadership conference on Mackinac Island September 22-24.

"This year's Mackinac conference is very important," Lovely said today, "We expect to start planning for our 1968 campaign and we also will award prizes for outstanding contributions to the Republican Party's program of involvement with the problems of people and communities."

"I urge every Republican in Crawford County to attend this conference if possible. The biennial Mackinac Island meetings are always an excellent opportunity for Party leaders to get together with our elected Republican office holders. We will meet with Lieutenant Governor William G. Milliken, United States Senator Robert P. Griffin, our Congressional delegation and our State Legislators, as well as with many of our former distinguished public officials," the County Chairman said.

Mr. and Mrs. Louis Lambert of Newaygo came last week to visit Mr. and Mrs. Rex Hawkins for several days. Mr. and Mrs. Hawkins returned home Saturday, the 9th, from a week's trip with the Richard Hime-Houghton.

baughs of Battle Creek to Long Lac, Canada. While they were away Mrs. Hawkins' sister Lola Bailey and Eva Schoonmaker of Mancelona stayed at the Hawkins home.

Mr. and Mrs. Ted McEvers and family made a trip north on Sunday to enter their son Dave at Michigan Tech. Institute in Houghton.

'68 Buick. Now we're talking your language.

We changed the Skylark from front to rear, we gave it a whole new look, simply because we believe you want a car like this. In other words, we're talking your language.

We thought you'd like to have a little easier time parking. So we shortened the wheelbase of the two-door Skylark down to 112 inches.

The new 230-hp., V-8 engine runs on regular gas. It's standard on all Skylark Custom models.

We also refused to limit your choices. Skylark Custom comes in four models, 15 colors and 32 trim combinations. So talk to the man who talks your language, your Buick dealer.

INTERPRETING THE NEWS

By Elmer E. White

Michigan Press Association

Efforts to legalize abortion under some circumstances have begun slowly in Michigan and with much excitement. A bill was introduced by Sen. John E. McCauley, D-Wyandotte, in the last session to permit termination of pregnancy when deemed necessary for the physical or mental health of the mother; in cases of rape or incest; or where there is apparent danger of serious defect, either physically or mentally, in the child. It is still under legislative consideration.

There was virtually no reaction to the bill in the last legislative session. Sen. Robert L. Richardson, R-Saginaw, expressed surprise at this time. Since there was little interest, there was no formal committee consideration.

Public hearings, scheduled last month, produced some reserved reactions which nonetheless showed strong conviction. In general, it can be said that the Catholic, Lutheran and Jewish religious groups oppose any form of legality for abortion, while most Protestant churches favor this particular bill. The Michigan

Council of Churches supports the idea.

Latest to endorse abortion is the State Bar of Michigan. The attorney organization feels that present laws have only encouraged such operations by unqualified people and to a point where they are a major cause of maternal deaths.

The issue boils down to the difference between pragmatic and dogmatic philosophies. The practical people talk more about the rights of the mother; how unfair and unwise it is to force her to bear an unwanted or deformed child.

The opposing view is that the fertilized fetus is a living human being and no one has the right under any circumstances to destroy it. Advocates of this position, while they may lament the fact of illegal abortions and the suffering of those who are born deformed, argue strongly that no one has the right to perform this operation.

More attention to this issue is likely. Colorado adopted a similar law this year. When time teaches what it can about the results there, Michigan will be in a better position to judge what should be done here. In the meantime, it seems certain that legislators will hear more about this controversial topic from constituents on both sides of the question.

"VANISHING" FARMERS

Michigan is losing farm families at the rate of about nine a day. In the past 27 years, Michigan has also lost almost five million acres of productive farm land.

But despite this loss in farm families and the decrease in tillable acreage, Michigan's food production has generally increased, reports B. Dale Ball, director of the Michigan Department of Agriculture.

The trend toward fewer but larger farms, with more production per acre, is a national one, Ball points out. He attributes the phenomenon to greater mechanization, more efficient operation, specialization, and better farming methods.

"Farming has never been more dynamic," said Thomas K. Cowden, Dean of MSU's College of Agriculture. He attributes the drop in farm families to increased productivity per farm man-hour, noting that fewer people are needed to fill requirements of farm production.

This, coupled with expansion of farm operations and a corresponding need for more acreage, has reduced the number of individual farm owners.

Joe Doneth, MSU agricultural economist, finds that for every nine losses of a "census" farm, the state gains three "commercial" farms. "Commercial" farms are those with gross annual incomes of \$20,000 or more, while "census" farms can be rural tracts of land with little, if any, farming operations.

"By 1980, we expect 55 to 60 percent of all of our farms to be commercial in contrast to less than five percent five years ago and only about 10 percent today," Doneth explains.

Farming is big business, with big investments in land, in livestock and machinery. At the same time, today's farmer is faced with narrow margins of profit on each bushel of grain, ton of fruit or hundredweight of milk or livestock. He must, like retailers and industries, expand to survive.

Modern farming has attracted corporation interest. Large farms, especially in western states, may be controlled by boards of directors and involve thousands of acres. Capital outlay for modern farm machinery has forced many independent farmers to consolidate use of machinery, much the way businesses rent time on complicated computer systems.

The future seems obvious. Farms will continue to grow in size, become fewer in number. This should influence the planning of educational institutions and government agricultural services.

More resources will be concentrated on agricultural research and development, with less emphasis on the marginal farmer or the man who works in the city and farms as a sideline.

Facts About OneCap

OneCap is the Community action program for Crawford, Wexford, Missaukee and Roscommon counties. It is a private non-profit agency funded under Title II of the Economic Opportunity Act. It is concerned with the problems of the area and is here to provide service which may affect the employment, education, health and general welfare of the people.

If we as a community can work together to define our problems, our potential is greater because we have more programs to develop. OneCap takes its direction from the community. You have the chance to take an active part in directing these efforts by participating in the county meetings.

Area Women Get First Hand View of AuSable

Twenty-four members of Home Economics Extension group took a canoe trip down the AuSable Thursday, Sept. 7. The purpose was to get a first hand view of the conditions of the river.

About half put in at Carlisle, the others embarked from Ray's in Grayling. Their trip was terminated at the canoe camp about two hours from Grayling. After lunch Willard Bosserman, Natural Resource Agent told the women of the problems encountered in managing water. He pointed out that increased use by an ever enlarging population presented a most insurmountable problem in preserving its quality.

The trip was most enjoyable, but was marred a little by some earlier travelers who left their calling cards.

Planning to build or remodel? Extension group members are urged to send in their reservations for the fall rally to be held at the Conservation Training School Friday, September 15. The cooks need to know how many lunches to prepare.

Carlton Edwards, Michigan State University specialist in housing will discuss the alternatives in building, remodeling or renting. If you are in the process of deciding, this is a must meeting for you.

1968 Chevrolet

The 1968 Chevrolets are the very essence of modern design. Every line, every curve is in close harmony. It's a smooth, uncluttered look with roof lines compatible with body lines, grilles and bumpers that blend gracefully into long, rounded fenders. Clean, flowing, beautiful in their simplicity, these '68 Chevrolets are rich and advanced in styling beyond any you've ever seen.

A MORE SILENT RIDE

And for 1968, we've gone to every length to give you more peace and quiet inside. The most sophisticated computers have been used to strategically place body mounts and successfully isolate noise and vibration. Shock absorbers have been improved. The wheel stance on many models is wider for greater smoothness. Exhaust systems have been redesigned to make them whisper-quiet. Even the clocks tick more softly. A sound car is a silent car. The '68 Chevrolets are the most silent, highest quality cars we've ever built.

BETTER PERFORMANCE

There are new engines, a bigger standard Six and V8. There's a new

250-hp V8 you can order that runs on regular fuel. Many new engine components increase dependability and keep your new Chevrolet running stronger. There's a new rear axle ratio you can add for greater economy. On most engines equipped with automatic transmissions, there's a special heater for the carburetor which gives you more efficient performance in cold weather. And with every engine, you get the new GM exhaust emission control.

UNIQUE ASTRO VENTILATION

There's a whole new idea in ventilation called Astro Ventilation, for Camaro, Corvette and the elegant Caprice Coupe. It's also available on many other models. By opening two new vent-ports on the instrument panel, you bring in outside air that can be directed where you want it. This way, you can leave your windows rolled up and add still more to your peace and quiet.

PROVED SAFETY FEATURES

You get the proved GM-developed energy absorbing steering column, folding front seat back latches, dual

master cylinder brake system with warning light, plus many more new features. Among them: energy absorbing front seat backs, and safety armrests that shield the door handles.

MUCH MORE THAT'S NEW

There are new roof lines, some formal and graceful, others sporty and quick. There are new instrument panels, richly designed and all controls within easy reach. There are new interiors, new vinyls, new fabrics, new colors. There are models with Hide-A-Way windshield wipers and headlights that disappear behind grilles. There are new side marker lamps, new recessed taillights. There's even a new ignition alarm buzzer that reminds you not to walk away and leave your keys in the car.

These are the newest, the most different, the most dramatically changed Chevrolets ever. And they're at your Chevrolet dealer's now. You'll thoroughly enjoy slipping behind the wheel, experiencing the smooth new handling, and library-quiet ride and, more than anything, seeing and feeling the even greater quality built into every new Chevrolet for 1968.

Be smart! Be sure! Buy now at your Chevrolet dealer's.

Fred Carr's Grandson Marine Personality

Fred Carr received a copy of a U.S. Marine Corps bulletin for September 1 which carried an item under the heading "Personalities on Parade" concerning his grandson, Robert B. Ahrens. The item is in part as follows:

"This week we focus our attention on Sgt. Robert B. Ahrens. Born in Flint, Michigan, where he spent most of his life on a farm, Bob came in the Corps in April of 1960 when he was 17. He was made a machine-gunner and spent nearly two years with the 5th and 1st Marines in that capacity. From Feb. of 1962 to April of 1963 Bob was with 3/3 in Okinawa where his outfit rushed to the Thailand area when Red China threatened invasion. In April of 63 Bob was with the MP's at Norfolk and was aboard the CG-17 with Gen. Bowser during the Cuban missile crisis. Discharged in April 64 Bob spent 3 fruitless months in a construction gang and decided to come back to the Corps where he was ordered to the PMO at Camp LeJ and spent 8 months there. From Camp LeJ LCpl Ahrens went to Camp Pen and Okinawa for training prior to his Vietnam assignment with the 3rd Recon. Bv. Bob was scout driver for a month and upon being promoted to Cpl. he was made squad leader. On Bob's first patrol he saw his CO die. Shortly after Bob was one of 18 men who annihilated a VC company of 65 men in the history making defense of Hill No. 41.

When asked about protesters, Bob replied, "I dislike draft dodgers and protesters. I feel most don't understand the reasons why we're there; if they did, they wouldn't protest. They're looking for an easy way out; when there's a job to be done somebody has got to do it." Sgt. Ahrens is a career Marine because he is actively "doing something" for himself, his family and his nation all at once."

CRAWFORD COUNTY BUILDING AUTHORITY'S

(Continued from preceding page)

\$35,000.00 July 1st of each year from 1984 to 1986, inclusive;
\$40,000.00 July 1st of each of the years 1987 and 1988;

\$45,000.00 July 1st of each year from 1989 to 1991, inclusive;
\$50,000.00 July 1st of each of the years 1992 and 1993;
\$30,000.00 July 1, 1994.

Said bonds shall bear interest at a rate or rates not exceeding five per cent (5%) per annum, payable on July 1, 1988, and semi-annually thereafter on January 1st and July 1st of each year, both principal and interest to be payable in lawful money of the United States of America at a bank or trust company qualified to act as paying agent, to be designated by the manager of the account purchasing the bonds.

Bonds maturing in the years 1989 to 1993, both inclusive, shall not be subject to redemption prior to maturity.

Bonds maturing in the years 1994 to 1999, both inclusive, shall be subject to redemption prior to maturity, at the option of the Authority, on any interest payment date on or after July 1, 1993, in inverse numerical order, at par and accrued interest to the date fixed for redemption, plus a premium as follows:

1. of the par value of each bond redeemed on or after July 1, 1993, but prior to July 1, 1988;
3. of the par value of each bond redeemed on or after July 1, 1988, but prior to July 1, 1989;
2. of the par value of each bond redeemed on or after July 1, 1989, but prior to July 1, 1992;
1. of the par value of each bond redeemed on or after July 1, 1992, but prior to maturity.

Thirty days notice of the call of any bonds for redemption shall be given by publication in a paper circulated in the State of Michigan which carries, as part of its regular service, notice of sale of municipal bonds, and in case of registered bonds, thirty days notice shall be given by mail to the registered holder at the registered address. Bonds so called for redemption shall not bear interest after the date fixed for redemption, provided funds are on hand with the paying agent to redeem said bonds.

REGISTRATION

Section 6. Said bonds may be registered in the names of the respective holders thereof on books to be kept by the paying agent, as to principal only, such registration being noted by the paying agent on any bond so registered in the registration blank printed on the back thereof, after which no transfer shall be valid unless made on said books at the request of the registered holder thereof or attorney duly authorized, and similarly noted in said registration blank, but any bond so registered may be discharged from registration by being transferred on such books to bearer, after which it shall be transferable by delivery, and it may be again registered as above. The registration of any such bond as to principal alone shall not restrain the negotiability of the coupons by delivery merely.

EXECUTION OF BONDS

Section 7. The Chairman and Treasurer of the Commission are hereby authorized and directed to execute said bonds when issued and sold for and on behalf of the Authority, the seal of the Authority shall be affixed thereto and attested by the Secretary of the Commission and the Chairman and Treasurer of the Commission are hereby authorized and directed to execute the interest coupons to be attached to said bonds by causing their facsimile signatures to be affixed thereto. Upon the execution of said bonds and the attached coupons, the same shall be delivered to the Treasurer of the Commission or such other officer as shall be designated by the Commission, who is hereby authorized and directed to deliver said bonds and attached coupons to the purchaser thereof as hereafter determined by the Commission, upon receipt of the purchase price therefor.

SECURITY FOR BONDS

Section 8. The bonds are issued in anticipation of the payment of the rentals which are contractual obligations of the County pursuant to the lease. Said bonds and the attached coupons shall not be a general obligation or indebtedness of the Authority, but shall be payable solely from the rentals received by the Authority pursuant to the lease. To secure such payment, all of such rentals are hereby pledged solely and only for the payment of the bonds, and a statutory first lien is established against such rentals for such purpose.

REDEMPTION OF BONDS

Section 9. The holder or holders of said bonds or coupons representing in the aggregate not less than twenty per cent (20%) of the entire issue then outstanding may, either at law or in equity, by suit, action, mandamus or other proceedings, protect and enforce the lien upon the rentals of the project, and may, by suit, action, mandamus or other proceedings, enforce or compel performance of all or any of the obligations of the Authority.

tion and application thereof as required by this Ordinance, and all other duties required to be performed by the Authority pursuant to the lease and this Ordinance.

If there be any default in the payment of the principal of, or interest upon any of said bonds, any court having jurisdiction in any proper action may appoint a receiver to administer and operate said project on behalf of the Authority, and under the direction of said court, and by and with the approval of said court, to perform all of the duties of the Authority and its officers more particularly set forth in the lease, this Ordinance and in Act 31, Public Acts of Michigan, 1948 (First Extra Session), as amended, and in Act 94, Public Acts of Michigan, 1933, as amended.

OPERATION OF PROJECT

Section 10. Pursuant to the terms of the lease the operation, maintenance and management of the project shall be the obligation of the County.

OPERATING YEAR

Section 11. The project shall be operated on the basis of a fiscal year commencing January 1st of each year and ending on December 31st of each year.

RATES

Section 12. The rentals provided by the lease are hereby established and fixed, as the rates to be charged to the County for the use of the project. Such rentals are estimated to be sufficient to provide for the payment of the interest upon and the principal of all the bonds as and when the same become due and payable. Such rentals shall not be reduced until such time as all bonds and the interest thereon are paid in full, or sufficient funds for their payment in full have been accumulated. Such rentals shall be increased by the Authority, as provided in the lease, if necessary to meet its obligations on the bonds.

ACCOUNTS

Section 13. The rentals paid to the Authority shall be deposited, as received, into a separate depository account to be kept with Grayling State Bank, Grayling, Michigan, to be designated BUILDING AUTHORITY OF CRAWFORD COUNTY RECEIVING FUND (hereinafter referred to as the "Receiving Fund"). The moneys from time to time in the Receiving Fund shall be transferred periodically in the manner herein provided.

(A) BOND AND INTEREST REDEMPTION FUND

There shall be established and maintained a separate depository account designated BOND AND INTEREST REDEMPTION FUND, the moneys on deposit therein to be used solely and only for the purpose of paying the principal of and interest on the bonds hereby authorized. The moneys in said Bond and Interest Redemption Fund shall be kept on hand with the bank or trust company where the principal of and interest on the bonds herein authorized are currently payable.

There shall be set aside into said fund from moneys in the Receiving Fund not less than fifteen (15) days prior to the interest payment dates of July 1, 1988 and January 1, 1989, sums fully sufficient to pay the interest due on the bonds on said respective dates.

There shall further be set aside into said fund, from moneys in the Receiving Fund, on or prior to June 15th of each year thereafter sums fully sufficient to pay the interest on the bonds due the next succeeding July 1st; and on or prior to December 15th of each year thereafter sums fully sufficient to pay the interest on the bonds due the next succeeding January 1st.

(B) DEBT SERVICE RESERVE ACCOUNT

Any moneys remaining in the Receiving Fund at the end of any fiscal year after meeting the current principal and interest requirements on the bonds for such year as provided in subparagraph (a) of this section, shall be allocated and set aside on the books and records of the Authority as a DEBT SERVICE RESERVE ACCOUNT, the moneys from time to time in said account to be applied and used for the payment of the principal of and interest on the bonds as to which there would otherwise be default. From and after July 1, 1983, any moneys in said account may, at the option of the Authority, be used and applied to redeem bonds prior to maturity. Moneys remaining in said account shall finally be applied to the payment of the principal of and interest on the bonds last maturing.

REVENUE BOND ACT

Section 14. It is the intent and purpose of the Authority, pursuant to the provisions of Act 31, Public Acts of Michigan, 1948 (First Extra Session), as amended, to authorize and issue the bonds subject to the provisions of Act 94, Public Acts of Michigan, 1933, as amended, or such of the provisions of that Act as can be applied to the type of issue here involved. The lease provides that operation, main-

tenance of the County, as lessee, and thus the rentals provided in the lease are net to the Authority and pledged solely for debt retirement represented by this bond issue. Thus no Authority operation and maintenance fund is established, as there would be no revenues allocable thereto. The Authority therefore determines that the plan and procedures herein, followed complies with all substantive provisions of Act 94, Public Acts of Michigan, 1933, as amended, in that operation and maintenance of the project is fully contracted for, and maximum security for the bonds is provided by a pledge of all of the rentals established in the lease.

USE OF PROCEEDS OF BOND SALE

Section 15. The proceeds of sale of the bonds herein authorized, except accrued interest, shall be deposited in an account with Grayling State Bank, Grayling, Michigan, designated CRAWFORD COUNTY BUILDING AUTHORITY FUND. Any accrued interest shall be deposited into the Bond and Interest Redemption Fund. Said moneys in the County Building Construction Fund shall be used solely and only to pay cost of acquisition of the project including architect's fees and any legal, financial or other expenses incident thereto on authorization of the Commission with the provisions of the contract. If any moneys remain in said fund after payment of all costs, such moneys shall be used as provided in Section 17 of this Ordinance.

INVESTMENT OF FUNDS

USE OF INCOME

Section 16. Moneys in the funds and accounts established by this Ordinance may be invested in United States government obligations subject to provisions of Act 94, Public Acts of Michigan, 1933, as amended. In the event such investments are made, the securities representing the same shall be kept on deposit with the depository or depositories of the fund or funds from which such investments were made. Any income received from investment of moneys in the County Building Construction Fund, or interest received from bank deposits of such fund, prior to January 1, 1989, shall, not less than fifteen (15) days prior to July 1, 1988, and January 1, 1989, respectively, be deposited into the Bond and Interest Redemption Fund and applied to the payment of interest due on the bonds on such dates. To the extent such moneys are so deposited on such dates, it shall be a credit against the advance rentals the County is obligated to pay on such dates pursuant to the provisions of paragraph 5, sub-paragraph (a) of the lease. Except as herein authorized, income from investments, or interest received on bank deposits, shall remain a part of the funds from which the investments or deposits were made.

SURPLUS BOND SALE PROCEEDS

Section 17. Any unexpended balance of the proceeds of sale of the bonds remaining in the County Building Construction Fund after completion of the project, may, at the option of the Authority and the County, be used for the purpose of providing for the redemption of their respective governing bodies, and to the extent of not exceeding fifteen per cent (15%) of the principal amount of bonds issued pursuant to this Ordinance, be used for additions and improvements to the project, provided that at the time of such expenditure such use be also approved by the Municipal Finance Commission. Any remaining balance after such expenditure, or if expenditure for such purpose is not made, the entire balance shall be paid into the Bond and Interest Redemption Fund and shall be used for the redemption of callable bonds, or prior to the first call date only, purchasing bonds of this issue on the open market at not more than the first call price thereof. Any bonds so purchased shall be cancelled and shall not be re-issued.

COVENANTS OF AUTHORITY

Section 18. The Authority covenants and agrees with the successive holders of the bonds and coupons that so long as any of the bonds remain outstanding and unpaid as to either principal or interest:

(a) The Authority shall

punctually perform all of its obligations and duties under this Ordinance and the lease herein set forth, and will collect, segregate and apply the rentals and payments in the manner required under this Ordinance and the lease.

(b) The Authority will maintain and keep proper books of record and account relating to the operation of the project and the rentals and payments received therefrom pursuant to the lease. Not later than three (3) months after the close of each operating year, the Commission will cause to be prepared a statement, in reasonable detail, sworn to by its chief accounting officer, showing the cash receipts and disbursements during such operating year, the assets and liabilities of the project at the beginning and close of the operating year, and such other information as may be necessary.

or anyone acting in their behalf to be fully informed as to all matters pertaining to the financial operation of the project during such year. A certified copy of said statement shall be filed with the County Clerk of the County and the Municipal Finance Commission, and a copy shall also be sent to the manager or managers of the account purchasing the bonds. The Commission shall also cause an annual audit of such books of record and account for the preceding operating year to be made by a recognized independent certified public accountant, and shall mail such audit to the manager of the syndicate or account purchasing the bonds. At the option of the Authority the aforesaid audit may be submitted in place of the aforesaid report required above.

(c) The Authority will not sell or otherwise dispose of the project until all of the bonds have been paid in full, both as to principal and interest, and will not or suffer to be done any act which would affect the project in such a way as to impair or affect the security of the bonds.

ADDITIONAL PROJECTS

Section 19. Nothing contained in this Ordinance shall be construed to prevent the Authority from issuing revenue bonds to finance the construction of additions to the present project or any new buildings or projects within the scope of its corporate powers, but said bonds shall be payable out of, and have a first lien only on, the net revenues or annual rentals for space in such new projects, and shall in no way have any lien on or be payable out of any of the rentals pledged to the payment of the bonds of this authorized issue, or any additional bonds issued to complete the project pursuant to the authorization provided in the lease and this Ordinance.

ADDITIONAL BONDS

Section 20. The right is reserved in the Authority to issue additional bonds on a parity with the bonds of this authorized issue for the completion of the project in the event the funds realized from the sale of the bonds herein authorized are insufficient therefor, but such additional bonds shall be authorized or issued only upon compliance with the following conditions:

(a) A certificate is executed by the architects, or architect in charge of construction, evidencing the fact that additional funds are needed to complete the project in accordance with the plans and specifications, and specifying the amount of money needed therefor. Said certificate shall be filed with the Secretary of the Commission and a copy thereof shall be filed with the County Clerk.

(b) A supplement or amendment to the lease is entered into between the Authority and the County providing for the payment by the County of sufficient additional annual rentals to meet the annual principal and interest requirements on the bonds then to be issued.

CONTRACT WITH BONDHOLDERS

Section 21. The provisions of this Ordinance, together with the lease herein set forth, shall constitute a contract between the Authority and the holder or holders of the bonds from time to time, and after the issuance of any of such bonds, no change, variation or alteration of the provisions of this Ordinance or the lease may be made which would lessen the security for the bonds. The provisions of this Ordinance and the lease shall be enforceable by appropriate proceedings taken by such holder or holders, either at law or in equity.

BOND FORM

Section 22. Said bonds and coupons shall be in substantially the following form:

UNITED STATES OF AMERICA

STATE OF MICHIGAN

CRAWFORD COUNTY

BUILDING AUTHORITY OF CRAWFORD COUNTY

REVENUE BONDS (CRAWFORD COUNTY BUILDING AND JAIL)

No. _____ \$5,000.00

KNOW ALL MEN BY THESE PRESENTS THAT BUILDING AUTHORITY OF CRAWFORD COUNTY, a public corporation of the State of Michigan, for value received, hereby promises to pay to the bearer hereof, or if registered, to the registered holder, the sum of

FIVE THOUSAND DOLLARS

on the first day of July, A.D., 19____, with interest thereon from the date hereof until paid at the rate of _____ per cent (____%) per annum, payable on July 1, 1988, and semi-annually thereafter on the first days of January and July of each year, upon presentation and surrender of the proper interest coupons hereto annexed as they severally become due. Both principal and interest on this bond are payable in lawful money of the United States of America at

The bonds of this issue are payable solely from the proceeds of rentals to be paid by the County of Crawford, Michigan, pursuant to a certain lease dated September _____, 1967, between said governmental unit and the Crawford County Building Authority, whereby said

in the County of Crawford, Michigan, to be used as a building to house the Court House and Jail, in accordance with the provisions of Act 31, Public Acts of Michigan, 1948 (First Extra Session), as amended. The Building Authority of Crawford County, has irrevocably pledged to the payment of the bonds the rentals chargeable to the County, as set forth in said lease; the total of said rentals being sufficient in amount to pay promptly, when due, the principal of and interest on the bonds of this issue.

This bond is one of a total authorized issue of one hundred sixty (160) bonds of even date and like tenor, except as to rate of interest and date of maturity, aggregating the principal sum of \$800,000.00, numbered consecutively in direct order of maturity from 1 to 160, inclusive, issued under and in full compliance with the Constitution and statutes of the State of Michigan, including specifically Act 31 Public Acts of Michigan, 1948 (First Extra Session), as amended, and pursuant to Ordinance No. 1, duly adopted by the Commission of the Building Authority of Crawford County on September 11, 1967, for the purpose of paying the cost of acquiring a site and constructing a building in the City of Grayling, Crawford County, Michigan, for the use of the County of Crawford, to house the Court House and Jail. For a complete statement of the revenues from which this bond is payable, and the general covenants and provisions pursuant to which this bond is issued, reference is made to the above-described Ordinance.

Bonds maturing in the years 1989 to 1993, both inclusive, shall be subject to redemption prior to maturity, at the option of the Authority, on any interest payment date on or after July 1, 1983, in inverse numerical order, at par and accrued interest to the date fixed for redemption, plus a premium as follows:

4. of the par value of each bond redeemed on or after July 1, 1983, but prior to July 1, 1988;
3. of the par value of each bond redeemed on or after July 1, 1988, but prior to July 1, 1989;
2. of the par value of each bond redeemed on or after July 1, 1989, but prior to July 1, 1992;
1. of the par value of each bond redeemed on or after July 1, 1992, but prior to maturity.

Thirty days notice of the call of any bonds for redemption shall be given by publication in a paper circulated in the State of Michigan which carries, as part of its regular service, notice of sale of municipal bonds, and in case of registered bonds, thirty days notice shall be given by mail to the registered holder at the registered address. Bonds so called for redemption shall not bear interest after the date fixed for redemption, provided funds are on hand with the paying agent to redeem said bonds.

This bond is a self-liquidating bond and is not a general obligation of the building Authority of Crawford County, and does not constitute an indebtedness of said Authority within any constitutional or statutory limitation, but is payable, both as to principal and interest, solely from the rentals required to be paid by the County of Crawford to the Authority, in accordance with the terms of the lease herein mentioned. The principal of and interest on this bond are secured by the irrevocable pledge of all of said rentals and a statutory first lien thereon has been created by the bond-authorizing Ordinance.

The Building Authority of Crawford County covenants and agrees to fix and maintain at all times while any of said bonds are outstanding, such rentals to the County, in accordance with the terms of the lease, as shall be sufficient to provide for payment of the interest upon and the principal of all such bonds, as and when the same become due and payable.

This bond may be registered as to principal only in the name of the holder on the books of the paying agent, and such registration noted on the back hereof by said paying agent, after which no transfer shall be valid unless made on the books and noted hereon in like manner, but transferability by delivery may be restored by registration to bearer. Such registration shall not affect the negotiability of the interest coupons.

IT IS HEREBY CERTIFIED AND RECITED THAT all acts, conditions and things required by law precedent to and in the issuance of this bond and the series of bonds of which this is one have been done and performed in regular and due time and form as required by law.

IN WITNESS WHEREOF, the Building Authority of Crawford County by its Commission, has caused this bond to be signed in its name by the Chairman and Treasurer of said Commission and its corporate seal to be hereunto affixed and attested by its Secretary and has caused the annexed interest coupons to be executed by the facsimile signatures of the Chairman and Treasurer of said Commission, and of the first day of Decem-

climax of the Golf Auxiliary came on Wednesday, when 16 members appeared for "Fun Day", chaired by Gloria Kraus and Longworth. After coffee and nuts in the Club House, a round of picture-taking, a captured by Marilyn and B. captured by Gloria, the links for "Snake" from the first tee it was but noise, frivolity, and good fun as each was the master. It was that severe handicaps worked when each person owned but one club (their one before leaving the house). Even a bit of juggling between members of their individual team was not allowed as am had their "scouts" over the other's camp, prevailed and a close follow.

It must be said here that both teams came out with no holds barred and the ninth took on a color that it hopes never to see again. Team A showed themselves to be real champions as they slid to a finish five big strokes ahead of Team B.

Marie St. Germain, our genial hostess at the Club, met the "Champs" with congratulations and the "Chumps" with condolences. Over a delightful lunch, Gloria Kraus presented special awards, which she had so cleverly made, to both teams.

Team A was comprised of Marilyn Longworth, Eunice Slusser, Phyllis Scheer, Liz Vajda, Rose Akers, Evelyn Gardiner, Doris Sanders, and Corrine Smith. Team B was Gloria Kraus, Elsie Jansen, Mary Pettengill, Ruth Nielson, Laura Olson, Ann DuBois, and Jeanne Thompson. We believe Fun Day — 1967 will not be forgotten for some time.

Hinton Dies Friday

Hinton of Eagle Point, Ind., passed away at Mercy Hospital Friday, September 15, 1967. He was 70 years old.

Services were held at 10 o'clock on Monday, September 18th, from the Zwick home in Decatur, Ind. He was in the Monroe Memorial Cemetery.

Mrs. Hinton came to County about six or seven years ago. She was born in 1897 at Van Wert, Ohio, the daughter of Elias and Malinda Hinton. She was married in 1917 to the late Mr. Hinton, who survives her. They have a son Keith, who lives in Michigan, and a daughter, Mrs. Zeeland (Max) Zeeland of Detroit, two sons, Glen and Harry Hinton of Wayne, Indiana, and Mrs. Jacob Miller also of Wayne. Five grandsons survive Mr. Hinton.

Hospital

Members of the Mercy Hospital Auxiliary met at the Auxiliary in the hospital Thursday for the summer recess. Attendance was small but the business meeting was very enthusiastic. The meeting was presided over by Mrs. Jack, a number of matters were discussed, among them the annual picnic during the season. It was decided to have it earlier this year, in November so as not to be hampered by bad weather, which has been the case at times. A bake sale was also discussed. The picnic was enjoyed in the past. It was voted to consider a refreshment idea. The summer groups of members took turns helping in the kitchen. The annual picnic was enjoyed at Wildwood, Ind. Mrs. Casper Lozen, in charge of the picnic, said the day was ideal and the members and guests at the picnic spent the afternoon in a lovely place.
